“ We operate a small “ hobby “ kennel – raising purebred Shetland Sheepdogs and of course our back yard gets well used with the dogs – as well as ourselves .We usually keep around 6 to 8 adult dogs in our small kennel , along with a litter of puppies about once a year – so the lawn gets “well used” to say the least. When we were introduced to the EZ CLEAN BIO ENZYME product – it was truly wonderful . This product , when used as directed ,totally eradicates odors from the grass. We have also found the product very useful in the house to “totally” remove pet stains due to the occasional accident in the house on carpets and floors- leaving no odor from the residue. The slogan “dirtier the better” is so true – it cleans everything!!- leaving behind a nice pleasant smell.”

Canine Good Neighbor

The Canine Good Neighbor Test (CGN Test) is a test developed by the Canadian Kennel Club (CKC) that is open to all dogs, regardless of breeding. The test requires you and your dog to complete 12 exercises which demonstrate your ability to control your dog and your dog's ability to demonstrate good manners in everyday situations. The objectives of the CKC Canine Good Neighbor program are three-fold

1. To increase awareness and appreciation of dogs as valued, contributing members of society.
2. To assist in teaching and promoting responsible dog ownership.
3. To certify that dogs conduct themselves in a manner which is reliable and trustworthy in situations encountered in everyday living, be it around people, at home, in public, or in the presence of other dogs.
4. CKC Certification included for "pass" competition

Introducing our new Photographer!

"My love to participate and compete in various sports with my dogs and my passion for photography created the inevitable progression to photographing dogs! Understanding that there is an immense knowledge of breed nuances to absorb, I am an excellent listener to what each client's ideal image is. My attention to detail and willingness to adapt and work with my client and dog to the best of my ability is always at the forefront. I look forward to capturing your memories in my lens!"
