PLEASE NOTE: This clinic is being conducted for the screening of congenital or acquired conditions in breeding dogs. No medical advice will be given for treatment of any suspected medical condition, or to check the progression of a previously diagnosed condition.

Owners will be required to complete THEIR OWN DOG's OFA CAER eye forms online prior to the clinic. We will provide owners with information on how to complete the forms online. The examining Veterinarian has access to the forms to complete their portion online. **If forms are not filled out, we will not be able to do an exam and no refunds will be given. Cardiac form is on page 2 below.**

Please contact Yvonne Halkow by email willowglyn@gmail.com for scheduling **before** filling out forms so that we can be sure there is a time slot available for your appointment.

To maintain an efficient schedule, cardiac exams will be performed **without** the owner present. For eye exams, our health clinic volunteers will apply eye drops outside, then call you & your dog in for your exam.

There are no cancellations or refunds unless the clinic is cancelled. There will be no refunds given for missed appointments. All exams **must be paid in advance** by email money transfer to ssfcedmonton@gmail.com **OR** on dogshow.ca. We are unable to offer multi dog discounts due to the increased costs of hosting this health clinic.
