

CALGARY KENNEL AND OBEDIENCE CLUB

It is with heavy heart and great sadness that we are writing to you today. We at the Calgary Kennel and Obedience Club look forward to the spring gathering of our dog enthusiasts; family and friends and our May 2020 show was no exception. With all the chaos and uncertainty our entire world is enthralled in currently, we have made the very difficult decision to cancel our annual spring dog show for May of 2020. We apologize to our exhibitors, judges and to the public that will be affected by our decision to cancel. Know that we did not come to this decision lightly and we are looking toward the future and our September show.

We are all aware how important each and every show is, for our purebred dog enthusiasts, but we need to be diligent in our responsibility to the health and safety of our exhibitors, judges, vendors and the volunteers who make our shows successful. The CKOC members have spent a great amount of time and are still looking at ways we can offer two successful shows in 2020, but without a crystal ball and the global uncertainty of the Covid 19 virus, we do not have enough information regarding the outcome of this global threat. So, the best we can do is wish you and your family the best in these challenging times.
